

Setting up your IMAGINE2E Supersite account and enrolling in your Instructor's course

Overview

In order to see and submit your assignments, receive important announcements, and communicate with your Instructor, you will need an account, a Supersite code, and you will need to enroll in your Instructor's course.

RETURNING STUDENTS

If you have an existing account for VHLCentral, for your textbook's Supersite, or for another Vista Higher Learning textbook, complete these steps:

Go to VHLCentral (the link will open in a new window): vhlcentral.com.

Log in using your existing account information.

To redeem a new Supersite code, click the "Redeem a code" link. Then complete the items below in "Step 3 - Activate Code" of the NEW STUDENTS section.

To enroll in your Instructor's course, click the "Enroll in a course" link. Then complete the items below in "Step 5 - Select a Course/Class" of the NEW STUDENTS section.

NEW STUDENTS

If you are **new** to Vista Higher Learning, complete these steps:

Step 1 - Go to VHLCentral

To begin, go to vhlcentral.com (the link will open in a new window).

Step 2 - Create an Account

In the "Login Information" section of the account creation page, enter a username of your choice.

Enter the email address you would like to associate with your account.

Enter and confirm a password of your choice.

In the "Personal Profile" section, enter your first and last name as you wish them to appear in your Instructor's roster.

Select the year of your birth from the drop down list.

Enter a student ID (optional).

In the "Security Information" section, you will provide the answer to a secret question, which may later be used to help you access your account if you forget your password.

After you enter all of the information, click "create an account."

Click "agree." (Before your account is created, you must agree to the terms and conditions of use policy.)

Step 3 - Activate Code

On the code activation screen, enter your Supersite code.

Click "activate code" to continue.

Look for a flash alert confirming that the code was successfully redeemed.

Step 4 - Select a School

Locate your school by typing your school's name. To narrow the search results, include the city and state (or country, if outside of the USA) in which your school is located.

Click "find." If the terms you entered did not result in a successful search, follow the on-screen tips to revise your search.

Select your school from the list by clicking the radio button next to the school name.

Click "select school" to add the school to your account.

Look for a flash alert confirming you successfully added the school.

Step 5 - Select a Course/Class

From the list of available classes at your school for your textbook's Supersite, look for Instructor "Berke" and the course "French 2A 2B 3A 3B" taught between Sep 01, 2011 and Dec 23, 2011.

Click the radio button for the course section "Section 1." If more than one class is listed for your Instructor, click the information icons in the class listings until you locate the section.

Click **Save**. You should see a confirmation that you successfully enrolled in your instructor's course.
